Quotes from Good Books On Missions

"If you found a cure for cancer it would be inconceivable to hide it from the rest of mankind. How much more inconceivable to keep silent the cure from the eternal wages of death." - Dave Davidson

"A ship in harbor is safe, but that is not what ships are build for." - William Shedd

"The future is as bright as the promise of God." -William Carey

"World Missions was on God's mind from the beginning. 'I will make you into a great nation and I will bless you; I will make your name great, and you will be a blessing. I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you.'" Genesis 12:2,3

"There is a living God. He has spoken His word. He means just what he says, and will do all that he has promised." -J. Hudson Taylor

"The Great Commission is more than a call for you or me to leave where we are and go somewhere else. There is of course a great need for people to go, but there is a greater need for each of us to take up our own responsibility as part of the church's response to the Great Commission; to be personally involved in it whatever our particular role may be." -George Verwer

APPLICATION

- **Pray** for "workers for the harvest" (and how you might be part of the answer to this Biblical mandate to pray)
- **Plan** on being a faithful church member and minister- using your God-given gifts.
- **Pursue** God's Word daily and then share it's transforming power with neighbors, coworkers, family and friends.
