Happy Mom's Day!

Everyone has or has had one- a mom. Oh, I understand her names vary *mama, mommy, mummy, mum, ma*, etc. With a quick internet search, I found 71 synonyms for mom. Wow!

Today, let's honor our moms. Tell them that you love them. Tell them that they are worth more than \$118K annually (according to www.salary.com.) Share with them your appreciation and love!

Oh, I am fully aware that within our sin-saturated world and even inside our sinful hearts, we can look at life, family and even our moms through our brokenness and pain. But, today, I just want each of us to simply remember, honor and love our moms. Moms were God's idea. Consider how He started the first family in Genesis 1:27-28a "So God created man in his own image, in the image of God he created him: male and female he created them. God blessed them and said to the, "Be fruitful and increase in number; fill the earth and subdue it".

God's plans are the best and his establishment of this first institution, the family was and is good. Take time to thank God and pray for your mom today... and everyday.
